PROTOCOL TO FOLLOW WHEN ENTERING HOUSE

1) When you come home, try not to touch anything

2) Remove your shoes at the entrance

3) Disinfect your pet's paws if you took them for a walk

4) Place the clothes worn outside in a laundry bag on return. Use bleach and hot water in machine to wash them

5) Leave your bag, wallet, purse, keys etc. in a box at the entry of your house

6) Have a shower, if you can't wash all the exposed areas - hands, wrists, arms, neck, nails etc.

7) Sanitize your mobile phones and glasses with a sanitizer

8) Clean the surfaces of all things you have got from outside with bleach or sanitizer

9) Carefully remove and dispose off your gloves and then wash your hands

10) Please note, it is not possible to carry out complete disinfection, the goal is to minimise the risk
